Special Thanks...

for your support of our 2009-2010 fundraising campaign for the Fox Valley United Way. As sheriffs for Kane and Kendall counties, we see firsthand how your donations support the work of 56 health and human service agencies in our communities. It's your generosity that is bringing lasting change to individuals and families in our area. We've been proud to be part of this year's United Way campaign and salute all those who have donated time and resources to make this a better year for many.

Together we can continue to make a difference.
